

20L Book Match

Helpful Hints to Expedite Proof Process

- Build design in a separate locked layer on top of template
- We print in CMYK colors
- We prefer vectored designs in .pdf or .ai format
- Fill template to pink bleed line while keeping all important details in the live area with blue dashes
- Distributor ID and safety line are required
- All art should be outlined and text converted to curves

If you need support with your design our staff artist can help for \$35.

Email us at hello@promotionalmatches.com and describe how you like your design laid out with any artwork you have available.
