Helpful Tips to Expedite Proof Process

- Build design in a separate locked layer on top of the template
- We print in CMYK colors
- We prefer vectored designs in PDF or .ai format
- All art should be outlines and text converted to curves

If you need support with your design our staff artist can help for \$35  
Email us at [hello@promotionalmatches.com](mailto:hello@promotionalmatches.com) and describe how you would like design laid out with any artwork you have available.
